Morris instruments

2-row melodeon

Beasts and fools

Yeah, it's been done to death, but **I** did it FIRST!

Beer preference

I like mine blonde on the top, darker on the bottom. Gotta be sweet, tall, strong, kinda thick, even a little heavy on the bottom is OK, rich, cheap, and pleasing.... oh, yeah, I like beer, too!.

Anything else that needs to be said

It sure costs a lot of money to come off this cheap!! (Dolly Parton, 1987)
