

Bloodstone Border Morris, Isle of Wight (UK)

Year founded: 2009 *Gender:* Men and Women *Dance type(s):* Border *Kit/Livery:* Mostly black with some red. Face painted black and red or a mask. Style is left to the individual.

Primary contact: Liz (Email: info@bloodstoneborder.com)

Web site: <http://www.bloodstoneborder.com> *Web site maintainer:* Travis Lumpkin (webmaster@bloodstoneborder.com)

History/Miscellany: Founded on the Isle of Wight in the summer of 2009, we are a mixed team made up of ruffians, wenches and vagabonds from across the island. We dance out at a number of Pagan events and festivals throughout the year, including Folkstation, the Renaissance festival, the Hastings Green Man Festival, bike rallies, garden parties and shows, and even a handfasting ceremony.
