## Preferred email

## Teams

Belfagan Women's Morris, Cockermouth

## Web page URL

## Traditions

North West (though as a musician I'm up for anything!)

## Morris instruments

C-melody sax (semi-retired); recorders; anglo concertina (still learning!).

## Beer preference

I'd still choose Jennings Bitter but unfortunately am now no longer allowed to drink the stuff as I've had to go gluten-free for the sake of my health. Gluten-free beer is beginning to turn up in Lake District pubs, thank goodness.

## Anything else that needs to be said
