Morris instruments

Trying desperately to learn concertina

My husband (David, muso for Pennyroyal and Wild Wood) is my best morris instrument. He plays fiddle, and occasionally mandolin through a small amp so's we can hear it

Beasts and fools

Why yes we are. You got a problem with that?

Beer preference

Gin and Tonic-hey, I belong to Pennyroyal-gin & tonic isn't just a good idea, it's the LAW.

But beer's wonderful, too. And cider, wine, almost anything but Goldschlager (shudder..) or Southern Comfort (bleh)

Anything else that needs to be said

I'm not giving up on that damned concertina.
