Web site: <http://www.mummers.org.uk/> *Web site maintainer:* Jon Checkley (jon@checkley.co.uk)

Miscellany: We have been going since 1973 and have performed every year since at Christmas time. The play uses a traditional script that has been allowed to develop slowly over the years. The traditional format even includes a "Green" Father Christmas and the usual suspects. The World Famous Ashdown Mummers also perform Border Dances from the Welsh Marshes and other parts of the country.
